“Welcome to Town’s Jewellers, a true historic gem in Orillia’s downtown where the original windows are still in place above the front door, the original vault stands proudly at the back of the store, and photos hanging on the walls tell stories of yesteryear. A jewellery store since the late 1800’s, Michael and Debbie Knight purchased the store in 1985 and in homage to the past kept the store name the same.

When it comes to operating their business, however, the Knights are fresh and progressive. A wide variety of gold and silver jewellery proves the mainstay of the business, and they are

proud to be the exclusive local retailer for *Simon G* and *Pandora*. Most recent additions include the *ELLE* line and *Polar Ice Diamonds*. For a charming shopping experience blending friendly service with extensive selection, make Town's Jewellers – "The National Diamond Store" – a must visit on your next shopping excursion downtown."
